Quarterly Issues/Programs List

WXYZ-FM · Anytown, USA

Station	WXYZ-FM, FM, 101.1 MHz
Community of license	Anytown, USA
Licensee	Example Broadcasting, LLC (fictional)
Quarter	Q3 2026: July 1 – September 30, 2026
Prepared by	Program Director (fictional)
Date prepared	November 2, 2026

The following is a list of programs that provided WXYZ-FM's most significant treatment of community issues during the quarter. Each issue is followed by a brief narrative and the programs that addressed it, with the date, time, duration and title of each.

Issue 1: Road safety on Highway 12

A series of crashes at the Highway 12 and Main Street intersection led residents to call for a traffic signal. The station's programming covered the crash data the police department released, the city council's decision and how residents could comment on the state road plan.

How this issue was identified: Listener calls to the station; discussion at two city council meetings.

Programs that addressed issue 1: Road safety on Highway 12
